# FEACVI – Fellowship programme

- "EACVI Fellowship" is a symbol of excellence in cardiovascular imaging dedicated to EACVI members.
- It is a recognition of professional achievements that extends a range of privileges to a group of professionals who have had years of experience and distinguished themselves individually with an excellent commitment to the field of cardiovascular imaging (CVI).
- This designation is a peer-review process.

--> Now available! Application deadline October 2019

# FEACVI – Fellowship programme

## Benefits (on top of Silver membership)

- Right to use the title in the signature, CVs, EACVI related scientific activities, documents
